

Application assignment

International master program in Design for All.
Mid Sweden University 2015

The 4 assignments are mandatory when applying for Master in Design for All at Mid Sweden University autumn 2015:

Assignment number 1.

Portfolio

Create a digital portfolio including five projects within your design field or from artistic work that you have done. In two pages per project you shall explain the purpose, process and end result. Mark the portfolio with your name and each project with the name of the project and the year it was performed.

Assignment number 2.

Resume of bachelor thesis

Create a resume of your bachelor thesis in English. Use maximum 5 pages including pictures and attachments.

Assignment number 3.

Artistic Assignment

You shall create a self-portrait with an optional analogue technique (not digital). Scan or take a picture of your portrait.

Assignment number 4.

Personal letter

Present yourself, your background, earlier studies, hobbies, organizational activities, work experience, and previous long-term periods abroad. Describe what you want to learn, what expectations you have regarding the studies, your aims and what challenges you expect to meet. We are also interested to know what kind of what projects are you interested in and what effects you expect these studies to have on your future career. Maximum 5 pages included pictures and attachments.

The application

For the application process, read the PFD document: "Information for Application for Autumn 2015" The assignments should be written in English. Maximum size is 10 Mb.
