

Grading criteria: Natural Science

Grade	Criteria
A	<p>Level: The student demonstrates outstanding results considering the requirements of the course learning objectives regarding problem-solving skills, concept comprehension, metrology skills, presentation skills and ability of judgment.</p> <p>Range: Fulfills all of the course learning objectives very well.</p>
B	<p>Level: The student demonstrates very good results considering the requirements of the course learning objectives regarding problem-solving skills, concept comprehension, metrology skills, presentation skills and ability of judgment.</p> <p>Range: Fulfills all of the course learning objectives, nearly all of which very well.</p>
C	<p>Level: The student demonstrates good results considering the requirements of the course learning objectives regarding problem-solving skills, concept comprehension, metrology skills, presentation skills and ability of judgment.</p> <p>Range: Fulfills the course learning objectives, several of which very well.</p>
D	<p>Level: The student demonstrates satisfactory results considering the requirements of the course learning objectives regarding problem-solving skills, concept comprehension, metrology skills, presentation skills and ability of judgment.</p> <p>Range: Fulfills all of the course learning objectives, one or a couple of which very well.</p>
E	<p>Level: The student demonstrates sufficient results considering the requirements of the course learning objectives regarding problem-solving skills, concept comprehension, metrology skills, presentation skills and ability of judgment.</p> <p>Range: Fulfills the learning objectives of the course.</p>
Fx	<p>Level: The student demonstrates insufficient results considering the requirements of the course learning objectives regarding problem-solving skills, concept comprehension, metrology skills, presentation skills and ability of judgment.</p> <p>Range: Fulfills all of the course learning objectives with the exception of one or two. Additional work is required to fulfill the objective/s. Revision possible within the timeframe indicated by the examiner.</p>
F	<p>Level: The student demonstrates insufficient results considering the requirements of the</p>

	course learning objectives regarding problem-solving skills concept comprehension, metrology skills, presentation skills and ability of judgment.
--	---

Range:

Does not fulfill all of the course learning objectives.
