

eARD project

Common specifications for government agencies (FGS)

Caspar Almalander
Projectmanagement eARD

This presentation

- Background
- FGS: a common specification
- Status and development

Background

- Common good
- Core business
- Higher quality at lower cost

Vision

”As simple as possible for as many people as possible.”

eGovernment Delegation

”It should be easy to retrieve, reuse and transfer information held by public authorities to or from the archive regardless of where and how the information is stored.”

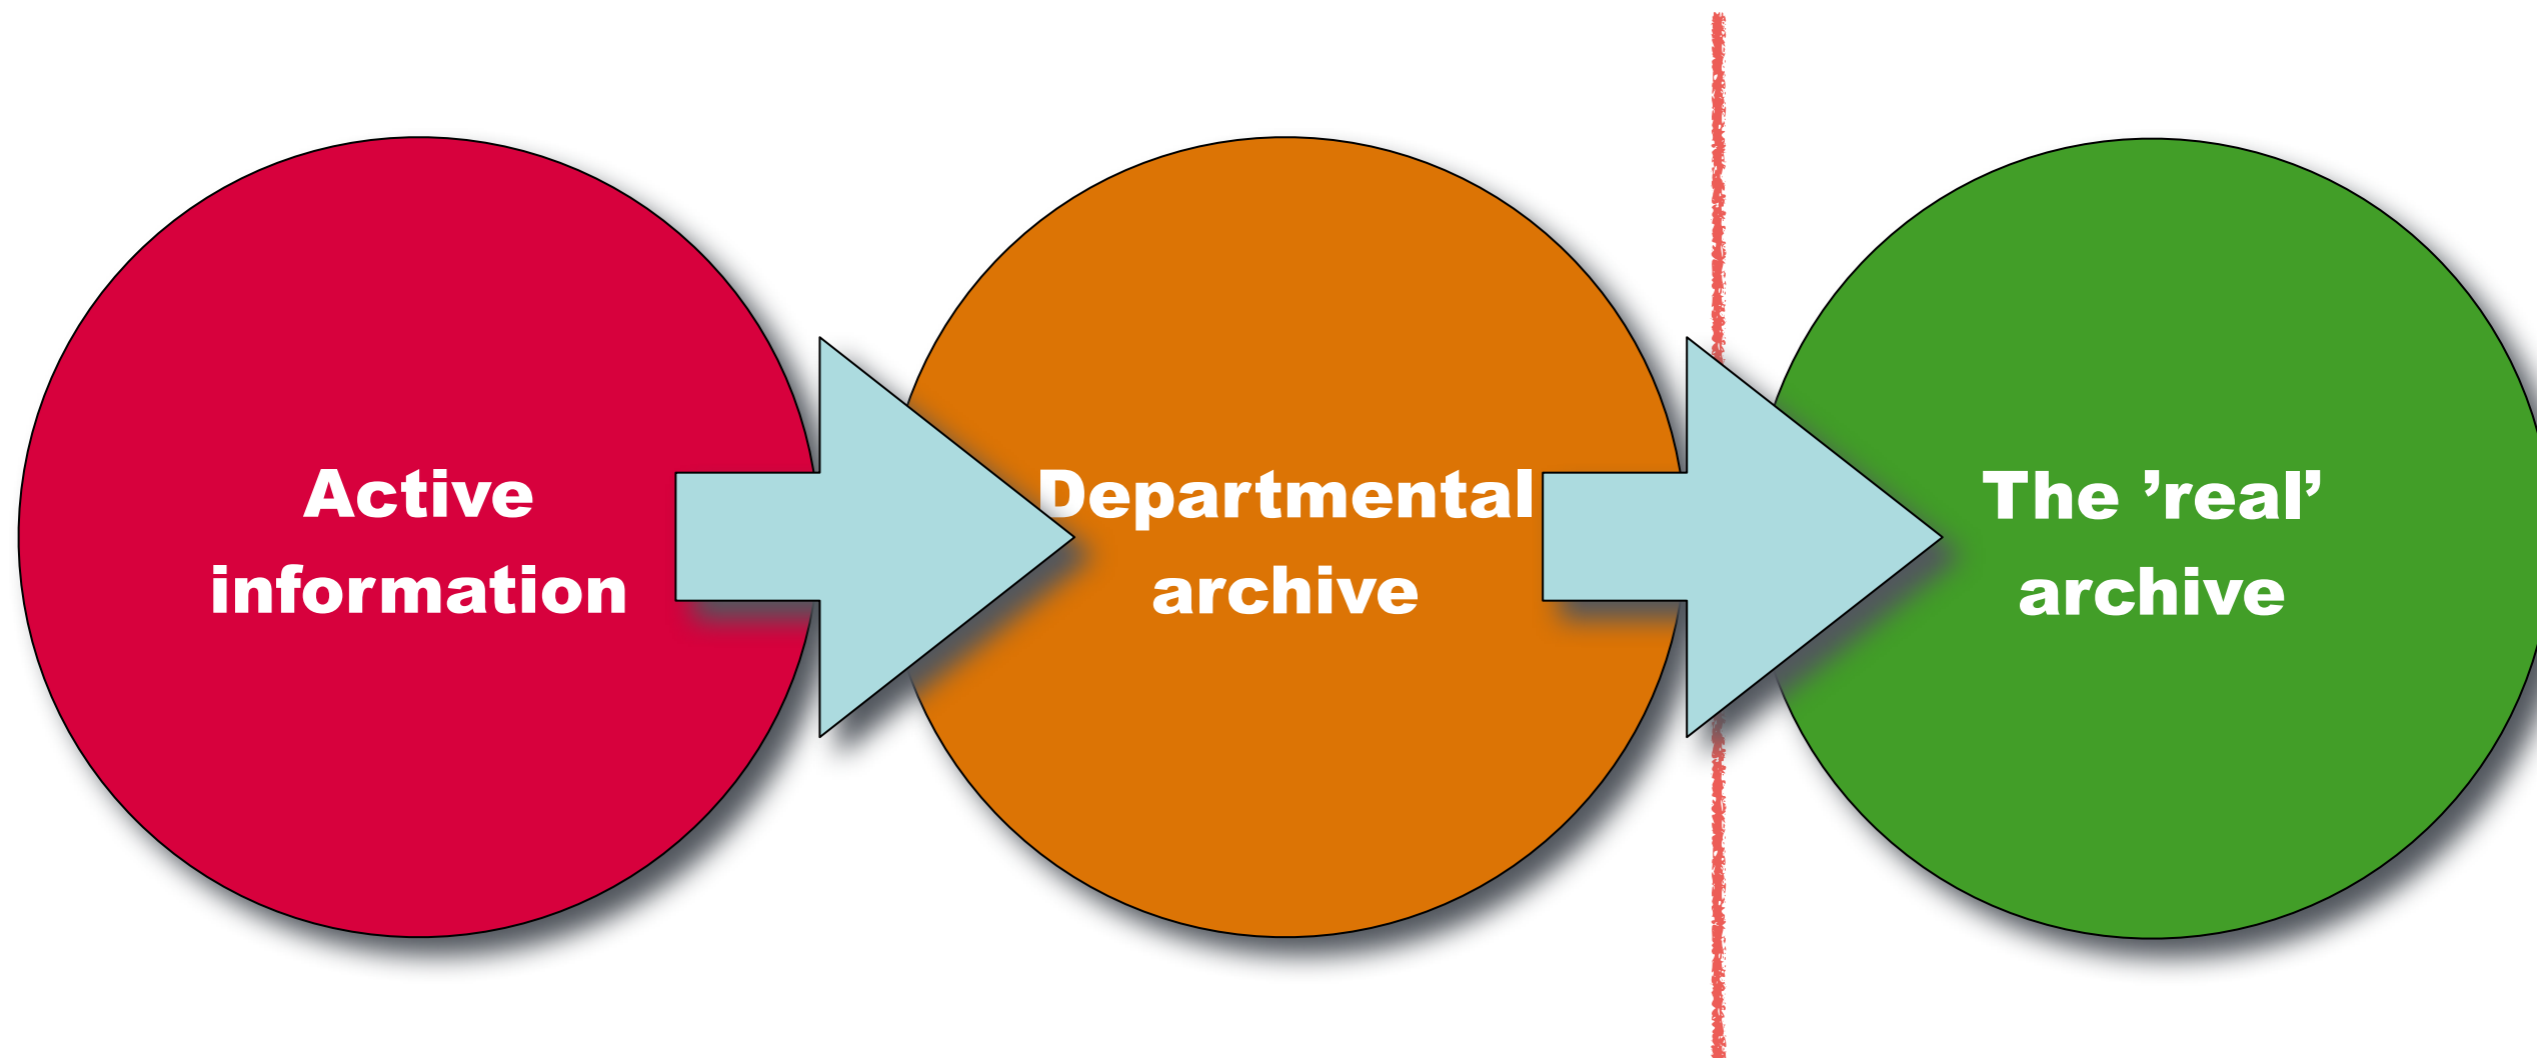

eARD project

Information

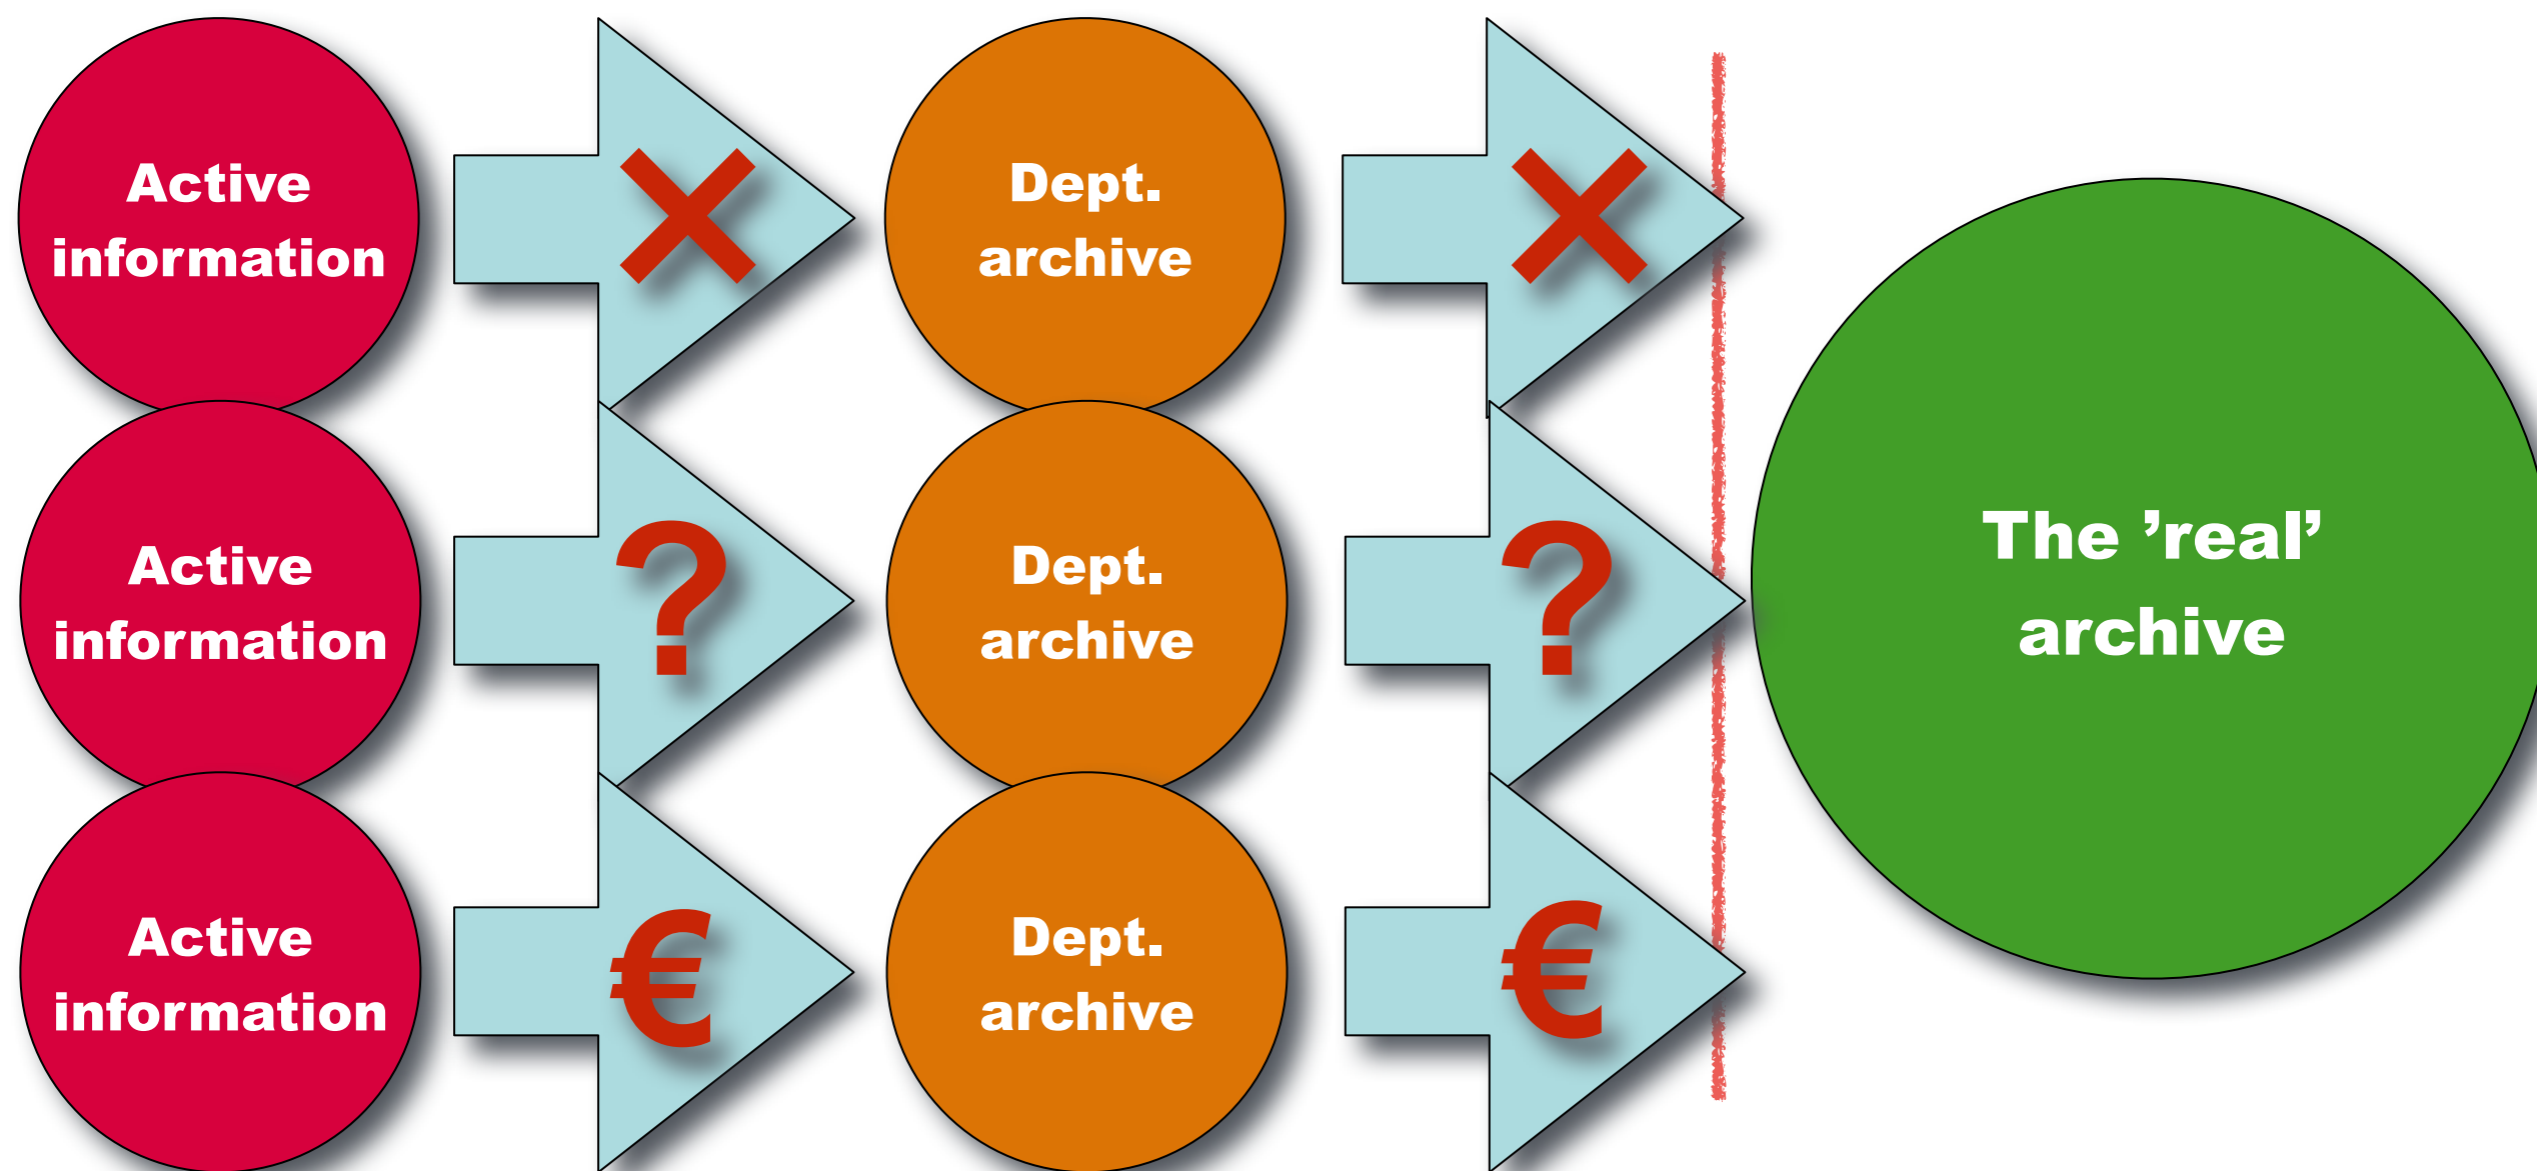

'Ownership border'

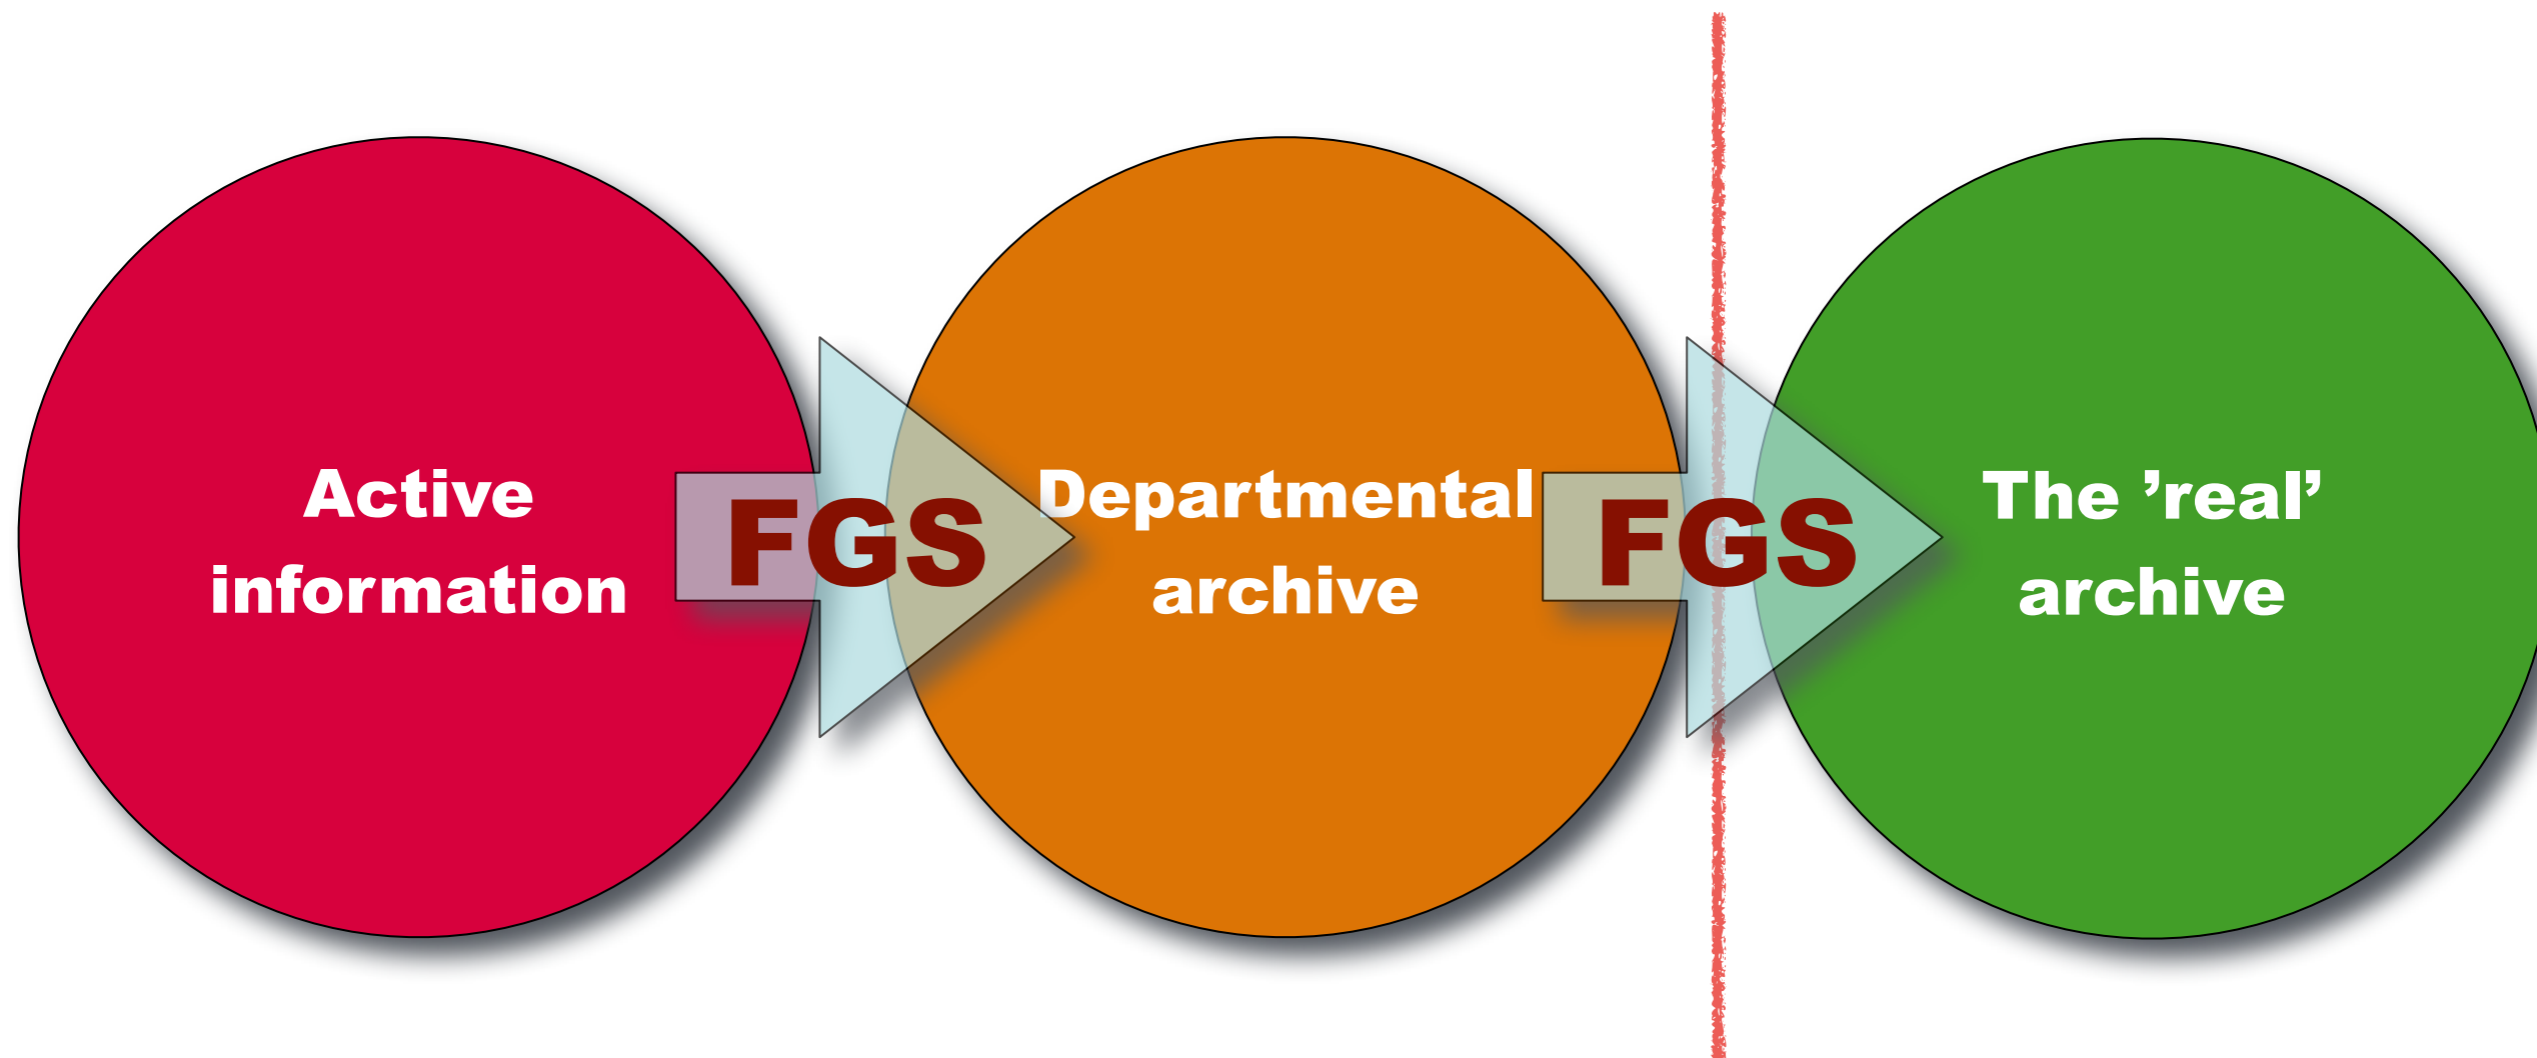

Information flow
